

# Registration for Enrolled students for Spring Semester, 2022

This notice is intended **for enrolled students.**

## ※ MUST READ ※

- ※ **New students** for Fall semester of 2021 will go through the registration process separately (please refer to Admission Guide), so take care not to make a mistake.
- ※ **Re-entering Students** need to **pay the tuition before commencement of Fall semester** (NOT additional registration period). If do not, your re-enter could be cancelled.
- ※ **Those who have been paid the research stipend must check your research stipend payment standard, and weather need to pay the tuition fee in "Regular" registration period"**
- ※ Those who are **registering for the extra semester** (Master's/Doctoral in 5th semester or more, Integrated in 9th semester or more) will be able to pay tuition **after the change of class application period has finished (from March 15th 2022).**
- ※ Those who have a reason (research stipen etc) to pay the fee during "Regular" registration period need to send an email to grad@ajou.ac.kr
- ※ If students want to pay the additional registration period, please apply the postponing application through AIMS system.
